## 1. SCRUTINY & OVERVIEW COMMITTEE WORK PROGRAMME 2021-22

- 1.1. The purpose of this report is to set out the work programme for 2021 – 2022 for the Scrutiny & Overview Committee. A copy of the work programme as it currently stands can be found at Appendix A to this report.
- 1.2. Although the work programme has been populated as far as possible at this stage, it is recognised that given the challenges facing the Council, the work programme needs to remain flexible enough to respond to emerging priorities during the year.
- 1.3. At its meeting on 15 June 2021, the Committee agreed that the work programme process will be overseen by a Reference Group of scrutiny members who will meet on a monthly basis to review all available data in order to identify items that should be prioritised for inclusion in the work programme for both the Committee and its three Sub-Committees (Children & Young People, Health & Social Care and Streets, Environment & Homes).
- 1.4. The Committee also agreed a number of workstream priorities for the year ahead for itself and the three sub-committees. For the Scrutiny & Overview Committee there are two main priorities, which are:-
  - W1: Corporate recovery, including corporate oversight by exception.
  - W 2: Understanding and acting on risks. To initially focus substantively on BBB and the council's reserves position
- 1.5. Although the Reference Group will be responsible for identifying emerging issues for scrutiny, the Scrutiny & Overview Committee will still have oversight of its work programme and this report will be presented at each Committee

meeting to provide an update on the latest position of the work programme and allow for consideration to be given to any additions or amendments.

- 1.6. It is recognised that given the challenges facing the Council, it will not be possible for scrutiny to accomplish everything it needs to within the committee setting. As such it is likely that informal briefings and visits will need to be arranged during the year, to ensure that the Committee is as informed as possible when scrutinising an item at one of its meetings. For transparency, this report will also confirm any briefings or visits undertaken by the Committee.
- 1.7. It should be noted that the Committee had intended to include an update on the Council financial position on the agenda for this meeting. However, due to timing reasons this has not been possible. Instead the Committee will meet informally with the Section 151 Officer in July to receive a detailed update on the latest budget position.

## **2. Conclusions**

- 2.1. The Scrutiny & Overview Committee is asked to note the current position of its Work Programme for 2021-22 set out in Appendix A.
- 2.2. The Committee is asked to consider whether there are any other items that should be added to its work programme.
