1.	In order to provide effective scrutiny, it is essential that the relevant Committee/Sub-Committee is provided with the most up to date budget figures, even if these were only in draft. The Sub-Committee would ask for the Mayor's commitment to ensuring that this information is provided to scrutiny.	Councilor Yvette Hopley Adult Social Care & Health	Partially Accepted The DASS and S151 Officer, are committed to the agreed Council budget monitoring process. It is not possible to share budget figures in draft as these will not have been validated. There is a firm commitment to share the most up to date budget figures, provided they have been through correct governance.
