1 HOUSING TRANSFORMATION PROGRAMME UPDATE

- 1.1. Appended to this cover report is the latest Housing Transformation Programme Update report due to be considered by the Mayor at the Cabinet meeting on 26 July 2023. This report has been included on the agenda to update the Sub-Committee on the progress made with the programme and to inform its work programme for the year ahead.

2 RECOMMENDATIONS

- 2.1 The Homes Sub-Committee is recommended to:

- 1 Review the update report and consider whether there are any areas of the programme that feel may benefit from a 'deep dive' to be scheduled on an agenda of the Homes Sub-Committee later in the year.
- 2 Consider whether there are any recommendations on the Housing Transformation Programme the Sub-Committee may wish to submit for the consideration of the Mayor.

3 REASONS FOR RECOMMENDATIONS

- 3.1 As one of the key drivers of the improvement journey of the Housing Services, it is essential for the work of the Homes Sub-Committee to have a regular opportunity to scrutinise the delivery of the Housing Transformation Programme.
