SE.10.23/24	The Sub-Committee recommends that steps be taken to publish the Flood Risk Register on the Council's website to ensure that this was transparent and accessible to residents.	Councillor Scott Roche  SCRER	Rejected  Flood risk data is already available online. Residents can visit the GOV.UK website to check the long-term flood risk for their area.	Jayne Rusbatch, Head of Highways & Parking Services	N/A	The data is already available online.	TBC
SE.11.23/24	The Sub-Committee recommends the implementation of a publicly accessible Geographic Information System (GIS) for Croydon.	Councillor Scott Roche  SCRER	Accepted  This will be investigated as part of the actions on the Action Plan for the Strategy	Jayne Rusbatch, Head of Highways & Parking Services	The retender project is funded by Capital.	There is an active project to retender for a new Corporate GIS platform, which includes the capability to publish spatial information publicly. The tender is being prepared now with a target implementation date of May 24	TBC
SE.12.23/24	The Sub-Committee recommends that the expertise of an arborist be sought, to feed into the Local Flood Risk Management Strategy, and that more thought should be put into how 'Blue and Green corridors' can be expanded, alongside other nature based solutions, to provide additional flood prevention measures using existing grant funding available to the Council.	Councillor Scott Roche  SCRER	Accepted  The LLFA will work closely with the Trees & Woodlands Team, to take this recommendation forward.	Jayne Rusbatch, Head of Highways & Parking Services	There is no financial implication to the Council as the works would be undertaken by existing staff.	The discussions will commence immediately once the Strategy has been adopted and then ongoing at the Internal Flood Group quarterly meetings.	TBC
