- 6.1 The Human Resources impact of supporting the Licensing Hearings will be contained within the budgeted establishments of the Democratic and Legal Services and Licensing Teams.

- 6.2 (Approved for and on behalf of HR by Jennifer Sankar, Head of HR Sustainable Communities, Regeneration & Economic Recovery).

## **7. EQUALITIES IMPACT**

- 7.1 The arrangements for the Licensing Hearings seek to ensure that all applicants and other interested parties receive a fair hearing and that the process is accessible to all groups within the community. In exercising licensing functions, the Council is required to comply with Section 149 of the Equality Act 2010 which requires public bodies to have due regard to the need to:

- Eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations between people who share a protected characteristic and people who do not share it.

- 7.2 For these purposes the protected characteristics are

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race

- religion or belief
- sex
- sexual orientation

7.3 The Act explains that having due regard for advancing equality involves:

- Removing or minimising disadvantages suffered by people due to their protected characteristics.
- Taking steps to meet the needs of people from protected groups where these are different from the needs of other people.
- Encouraging people from protected groups to participate in public life or in other activities where their participation is disproportionately low.

## 8. ENVIRONMENTAL AND DESIGN IMPACT

8.1 The effective implementation of the Licensing Act 2003 will contribute to an improved environment for local residents and other stakeholders.

## 9. LICENSING OBJECTIVES IMPACT

9.1 The licensing objectives contained in the Act are:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance and
- the protection of children from harm.

9.2 Officers comments and relevant representations on the impact of the application on these objectives appear in Appendix A to the application.

## 10. HUMAN RIGHTS IMPACT

10.1 The Human Rights 1998 (HRA) requires public bodies to ensure everything they do is compatible with Convention Rights and makes it unlawful for a public authority to act incompatibly with those Rights. **Article 6 (A6)** of the European Convention on Human Rights (ECHR) is the right to a fair trial. The key elements of this include:

- The right to a *fair* hearing;
- The right to a *public* hearing;
- The right to a hearing before an *independent and impartial tribunal*;
- The right to a hearing *within a reasonable time*.

10.2 When hearing an application, the proceedings of a non-judicial body such as the Licensing Sub Committee, as opposed to an actual Court, need not meet the full requirements of A6 where there is a right of appeal from the Licensing Sub Committee to a Court that does meet the full A6 standards and can consider all aspects of the case (even if that does not include a full re-hearing of the facts).

10.3 So, while it is good practice to make a hearing before the Licensing Sub Committee as A6 compliant as possible, it will not be a breach of the HRA if it is not. Further, the hearing of all applications is subject to the principles of Natural Justice and the requirement for decisions to be 'Wednesbury reasonable'.

## **11. FREEDOM OF INFORMATION/DATA PROTECTION CONSIDERATIONS**

11.1 Protocols agreed in relation to Licensing Hearings are within the Council's Constitution and will be accessible as part of the Council's Publication Scheme maintained under the Freedom of Information Act.
