Health and Wellbeing Board Forward Plan

This forward plan for the Health and Wellbeing Board (HWB) outlines the workplan for the board and identifies items for future meetings to address board requirements.

This plan is a live document. It is regularly reviewed and updated throughout the year to ensure that the Board can address its requirements.

This document includes three sections:

- Section A. Board Meetings
- Section B. Board workshops, seminars and development activities
- Section C. Considerations when developing the forward plan
