

Appendix 1 – Recommendations arising from Streets & Environment Sub-Committee, 8 October 2024

Item: Climate Action Plan

Recommendation Number	Recommendation	Political Lead	Officer Lead
SE.5.24/25	The Sub-Committee noted that a number of the Council's different strategies and plans, such as the Air Quality Action Plan and Local Plan, fed into the area of Climate Action and recommended that these come together under a joint programme with measurable outputs and impacts.	Cllr Scott Roche	Karen Agbabiaka
SE.6.24/25	The Sub-Committee recommended that all Members were provided with a briefing on the Electric Vehicle Charging Point (EVCP) Strategy once this was completed, and asked officers to consider how best to encourage and empower residents to install EVCPs at private residences as part of the strategy.	Cllr Scott Roche	Karen Agbabiaka
SE.7.24/25	The Sub-Committee recognised that work exploring how 'Climate Risk' might be incorporated into the Council's decision-making process was still in the very early stage. If this approach was pursued, the Sub-Committee recommends that all Members be appropriately briefed.	Cllr Scott Roche	Karen Agbabiaka

Item: Waste Procurement Contract Management & Mobilisation

Recommendation Number	Recommendation	Political Lead	Officer Lead
SE.8.24/25	The Sub-Committee recommended that the Council publish into the public domain as much detail as possible of the Waste Procurement Contract, to ensure transparency with residents given the wide public interest.	Cllr Scott Roche	Karen Agbabiaka
SE.9.24/25	The Sub-Committee recommended that training be delivered to contractor staff and operatives on 'Culture Change' to align the contractor with the culture of the Council and best practice, as had already been undertaken with contractors for Housing.	Cllr Scott Roche	Karen Agbabiaka
SE.10.24/25	The Sub-Committee recommended that contractor operatives receive training on how to identify signs of domestic abuse to empower the contractor to best meet its obligations under the contract's social value offer.	Cllr Scott Roche	Karen Agbabiaka
SE.11.24/25	The Sub-Committee recommended that performance under the Waste Contract Key Performance Indicators (KPIs) were published monthly on the Council website.	Cllr Scott Roche	Karen Agbabiaka
